

# Toowoomba Region ICEF ANZA familiarisation (FAM) tour

*A region on the rise, offering an enviable lifestyle with natural beauty, unique job opportunities, leading schools, and an affordable housing market. Located just 90 minutes from Brisbane, Toowoomba is experiencing high growth and increasing investment. The region's diverse economy is built on agriculture, health, education, manufacturing, and energy.*

## Experience and learn about

**Toowoomba's diverse and high-quality education and training institutions:** Discover the range of opportunities available right here on the Darling Downs, from our University of Southern Queensland (UniSQ) to our highly regarded TAFE, private colleges and secondary schools.

**The rich cultural and tourism experiences within and surrounding Toowoomba:** Explore our beautiful parks, gardens, and heritage sites, and learn about the local events and festivals that make our region unique.

**The vibrant atmosphere of Toowoomba's city centre:** Experience the buzz of our local food scene, enjoy our beautiful parks, and discover the unique charm of our city.

**Connect with international students studying at USQ and other Toowoomba institutions:** Hear firsthand accounts of their experiences and learn about the diverse perspectives they bring to our community.

**Industry connections:** Including suitable activity to highlight post-study pathways in our region.

## Study Toowoomba

Study Toowoomba is the peak body for international education and training in Toowoomba and represents a variety of members who directly and indirectly contribute to outstanding outcomes for international students.

## Toowoomba and Surat Basin Enterprise

Toowoomba and Surat Basin Enterprise (TSBE) is non-partisan not for profit, economic development organisation. Our purpose is to enable business that has a positive impact on our region. Providing a strong regional voice and supporting our regional sectors across resources, construction, food and fibre, manufacturing, health, education, and export markets.
